## BLAZER

A classic premium New Zealand lambswool upholstery fabric with a billiard cloth felted finish. Responsible farming provides the highest quality raw material which is soft, clean and bright. The colour palette is an exciting mix of solids and mélanges across the full colour spectrum, creating a versatile fabric suitable for wide-ranging furniture applications.

## XTREME

Xtreme is a modern crepe weave fabric **made from 100% post-consumer recycled polyester**, diverting waste from landfill and saving virgin raw materials. Its stretch properties, coupled with high flame retardancy, durability and non-pilling properties make Xtreme an ever popular fabric for task seating.

## PHOENIX

Phoenix is a cost-effective simple crêpe weave fabric available in a wide selection of commercial colourways, suitable for task seating.

## SYNERGY

A soft handle wool blend fabric, featuring exquisite fibre dyed shades and sumptuous piece dyed solids. It all comes together to provide our largest colour offering of 75 intelligent shades.
